*By means of our attitude towards  
life and our style,  
our efforts and contributions to life,  
we also call out to the  
world in the course of production...  
Then we melt all these sounds  
in a pot and reflect to you as  
"Kırteks Metal".*

TRANSFORMS KNOWLEDGE  
INTO PRODUCT!

Kırteks Dijital Zincir sistemi, operasyonel verimlilik ve yüksek kalitede üretim disiplinleri için Kırteks Metal tarafından geliştirilmiştir. Dijital dönüşümün bir diğer çıktısı ise enerji verimliliği ve doğal kaynakların korunması prensibidir.

Kırteks Metal, tedarikten üretime, ambalajlamadan dağıtıma kadar yürüttüğü her alandaki çalışmaların çevresel etkilerini en hafife indirmeyi temel ilke edinmiştir.

*Kırteks Digital Chain System was developed by Kırteks Metal for operational efficiency and high-quality production disciplines. Another output of the digital transformation is the principle of energy efficiency and protection of natural resources.*

*As principle, Kırteks Metal has adopted minimizing the environment impacts of the works it carries out from supply to production and from packaging to distribution.*

# KALİTE KONTROLÜN 3 BOYUTU!

3 DIMENSIONS OF THE QUALITY CONTROL!

Dünya markalarının  
kalite testlerinde  
Kırteks Metal referans  
gösteriliyor.

*Kirteks Metal is referenced in  
the quality tests of the  
world brands.*

**Üretimin  
her aşamasında  
proses kontrol**  
*Process control at every  
stage of production*

**Nihai ürün

# DÜNYAYI BİR TEK ÜRETİM DEĞİŞTİRİR!

ONLY PRODUCTION CAN  
CHANGE THE WORLD!

Alinterine bulanmış telaşlı bir günü kapadığımızda  
susar ve dinlemeye başlarız.

Sonra yorgunluğumuzun yerine tatlı bir  
huzur gelir, üretmenin gururunu taşıyoruz.

Dünyanın kaç yerine, kaç aileye,  
kaç kalbe girmişiz, kaç mutlu sofraya kurmuş,  
etrafında kaç insanı buluşturmuşuz;  
yüzlerine bakar, emeğimizin karşılığını  
görmeye çalışırız.

*When we conclude a hectic day mixed with sweat,  
we become silent and start to listen.*

*Then, our tiredness is replaced with a sweet  
peace and we take pride in producing.*

*How many places of the world have we entered,  
how many families, how many hearts?*

*How many happy dinner tables have we set?*

*How many people have we gathered  
around them? We would look at their faces and  
try to see the results of our efforts.*
